CLASS TIMES/MONTHLY FEES:

Operating hours 6:45 am - 6:00 pm
Monday through Friday

2 full days per week	\$ 280/ mo
3 full days per week	\$ 360/ mo
4 full days per week	\$ 480/ mo
5 full days per week	\$ 600/ mo

Preschool tuition may be paid monthly or annually. Monthly tuition payments are due by the 1st day of each month. A 30 day advance written notice of intent to withdraw a child from school is required. No withdrawal notices are accepted for April, May or December. You are responsible for full fees during the 30-day period. Tuition will not be adjusted for absences.

During the summer months, if a child's absence extends beyond two weeks, the child will be withdrawn from the program. Re-enrollment will be subject to space availability. If a child is withdrawn without proper notice, full tuition will be due for a two (2) week period.

Registration fees will not be refunded. For an account over 30 days, a child will not be permitted to attend school until the account is brought current.

OTHER FEES

A one-time fee of \$75 is due upon registration.

PHILOSOPHY

Alpine Academy Preschool is dedicated to providing children ages 3-6 with a stimulating educational and social experience through age appropriate activities and curriculum. We believe a mix of structure and free choice time each day empowers each child with the skills they need to excel in any future educational setting. Each child is respected as an individual and is encouraged to express themselves while participating in both individual exploration and group activities.

CURRICULUM

Age appropriate activities and academics are offered every day. We incorporate art, literature, math, science, music & movement, Large and fine motor skills in our cross-curricular approach. We teach social readiness skills as well as the basic academics children need to be confident, successful and ready to begin and or complete Kindergarten.

SCIENCE

We study our environment, plant growth, rocks/crystals, kitchen chemistry/baking, how our bodies work, space, dinosaurs, oceans and weather. These are just a few of the subjects we explore through the year.

LITERATURE

Because early literacy is so pivotal to educational success, we feature many wonderful children's literature activities. These include daily access to classroom books and story time. Palsmobile visits us once a month from the public library. We also participate in Scholastic book club programs.

GARDENING

Children are given multiple opportunities to grow various types of plants. Some

examples are Sunflowers , bulbs, vegetables and flowers. Composting is a daily part of our routine.

MUSIC & MOVEMENT

Students experience music through the use of instruments, song and dance. We enjoy and invite all types of music and cultural representations. We enjoy Kindermusic once a week as well.

ART

Children are invited daily to experiment in different types of mediums. Process oriented materials such as water, sand , playdoh and clay tables allow children to enjoy creative open ended activities all year long.

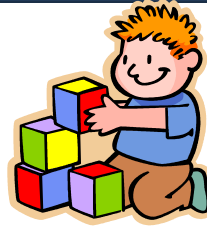

COOKING

Through cooking, we learn math, measurement and group participation. This gives youngsters authentic learning experiences as well as the pride of preparing their own food.

MATH

Games, manipulatives, engineering materials and other activities are offered to encourages love of math concepts in an exciting and challenging format.
